# **HITCH OVER PRICE OF COTTON CARGOES HELD** UP BY THE BRITISH

American Shippers Demand Figure in Accord With Present State of Market.

On the Cotton Exchange to-day !! ras stated by leading experters that bere was no change in the deadistained by the British Government trong representations are being ectton and meat experters to the British Government make satisfactory settlement. As yet sident Wilson has not accoded to be demand.

Tontative negotiations are on for rate cottlement between the Brit-Government and the cotton shipso for the cargons to be taken over The Government, but there is die ment about price. The Governat is not inclined to pay more than he price per pound as stated in the

criginal sale contract, but the ship-pers are demanding higher prices, more in keeping with the present state of the market.

The British Government is report-ed destrous of privately settling all the cases at issue without having a test case in prize court, which would establish precedents in international

in copper circles there is much sat-saction because of the private set-tements made with the British Govrements made with the British Government at top prices. The demand or copper by the allies is so pressing that they are giad to get all possible upply even at high prices. In the use of cotton, however, there is no use pressing demand. Similar conditions to the cotton situation are reported in the meat and revision trade regarding detained urgoes of dressed beef.

Ford is at Universal City, the only movingpicture city in existence—the queerest, maddest, wildest, most romantic and picturesque city in the world. It has nearly 3,000 people in it, all actors, actresses or stage folk of some description. There's where most of the Universal program is made—the program that has made and is making money for the exhibitor and fast friends of all the fans. If you are going to California this Spring, go to your favorite theatre first, soe some Universal moving-pictures, then drop in at Universal city and
